

**KUBICEK BALLOONS**  
**25 YEARS**

## **OBSERVATION BALLOON**

No Xb / 3

The Kubicek Balloon Company has designed this model as a five-seater light observation balloon eminently suitable for select groups of nature watchers.

A camouflaged version is available by request.

The Kubicek Balloon Company regrets that owing to the enormous demand for this model they are for the time being unable to take further orders.
